

Elsa & Max

Another Day Goes By

A crazy planet full of crazy people,
Is somersaulting all around the sky.
And every time it turns another somersault,
Another day goes by.

And there's no way to stop it,
No, there's no way to stop it.
No, you can't stop it even if you tried.
So, I'm not going to worry,
No, I'm not going to worry,
Every time I see another day go by.

While somersaulting at a cockeyed angle,
We make a cockeyed circle 'round the sun.
And when we circle back to where we started from,
Another year has run.

And there's no way to stop it,
No, there's no way to stop it,
If the earth wants to roll around the sun.
You're a fool if you worry.
You're a fool if you worry,
Over anything but little number one.
